PUBLICLY- HELD COMPANY

CVM REGISTRY No. 01862-7

CNPJ no. 76.484.013/0001-45

NOTICE TO THE MARKET

Companhia de Saneamento do Paraná (“Sanepar”), (“Company”), in compliance with the provisions of CVM instructions, hereby advises its shareholders, investors and the market at large that the Board of Directors of the Regulatory Agency for Delegated Public Services of Paraná (“AGEPAR”), in its 027/2021 Ordinary Meeting held on this date, discussed issues related to the tariff structure and methodology:

1. It resolved on the opening of a Public Consultation in the period from September 21, 2021 to November 4, 2021 to change the commercial rule for charging the sewage connections of residential customers, referring to the proposal for free of charge for the first connection, aiming to encourage universalization of the service.
2. Reassessed the inclusion of non-onerous assets in the Regulatory Asset Base (“BAR”), in the period of the 1st Periodic Tariff Review (“1st RTP”), which were included in order to receive the Regulatory Reintegration Quota (“QRR”).

The decision was based on the disregard of these BAR assets of the 1st RTP, requiring yet the identification of amounts received by the Company and forms of financial compensation of the QRR values on non-onerous assets.

More information can be obtained at AGEPAR's website (Portuguese only): <http://www.agepar.pr.gov.br/Pagina/Reunioes-do-Conselho-Diretor>

Sanepar will keep the market informed about the progress of these processes.
